GENERAL MANAGER PROFILE:  
VERO BEACH COUNTRY CLUB  
VERO BEACH, FL

THE GENERAL MANAGER (GM) OPPORTUNITY AT VERO BEACH COUNTRY CLUB (VBCC)

The General Manager role at Vero Beach Country Club is a great opportunity for someone who desires to lead a club in one of the best communities in Florida, and a club with a great history focused around golf, but with an eye to the future as the Club continues to “evolve” to a broader country club focus in a strategic manner. Unlike many clubs in Florida, VBCC has a greater percentage of local members (as opposed to snowbirds), who appreciate the low key, unpretentious nature of the Club and want to see that continue. Critical to the success of the new GM, who will be following a well-regarded GM who is stepping down to become an attorney, is the intuitive style of “hands on and highly interactive with members and staff,” combined with a natural desire to be involved in membership recruitment and retention; the lifeblood of the club.

VERO BEACH, FLORIDA – INDIAN RIVER COUNTY

Consistently noted as one of the best small beach towns in America, Vero Beach is known for its quality of life, unique even to Florida, and Indian River County is where lifestyle and work style unite to create a highly productive and recreational environment. The amenities the area has to offer include pristine beaches, Indian River Lagoon, ocean access and beautiful golf courses. Residents enjoy these year round in a relaxed hometown atmosphere.

Typically, one can expect a 20-minute commute or less to work. Shopping, cultural and recreational activities are only minutes away from anywhere in the county.

VERO BEACH COUNTRY CLUB

The Mission Statement of VBCC has withstood the test of time and has helped push the club toward the future:

“Vero Beach Country Club, established in 1924, is to provide its members and their guests with outstanding facilities and services that provide distinctive participation in private golf and dining activities, with an enhanced social environment for establishing and cultivating friendships. In so doing, the Club and members work to expand their environmentally “Green” leadership and citizenship in Indian River County, while consistently operating in a positive financial position.”

The Club boasts an Audubon Sanctuary Golf Course, and is set in an “Olde Florida” environment with a large number of aged oak trees and a manicured course with natural elements. Over the years, historic Vero Beach Country Club has evolved into more than just golf with a club that is locally competitive with social offerings for both full-time and seasonal residents, and a good F & B program. The Club culture is socially inclusive. Regular activities such as Friday Night Music in the Pub and Holiday Dinner Dances enhance the camaraderie that is developed in open format golf games. The Club is centrally located in Vero so it is easily accessible for all members including those residing on the barrier island, and is in the process of expanding its clubhouse and is considering other amenity additions in the coming years. In the past few years, facilities have been progressively improved and expanded for golf play and practice, dining, bridge playing, multiple social activities, and parking.

Offering 18-holes of golf, a practice facility, a very active social calendar and numerous dining options, the Club is considered a great value in a saturated market of great clubs. VBCC members and management are forward thinkers and have implemented a five-year strategic plan to attract new members and to continue to increase current members’ satisfaction, which is at a good level at present.

As part of a recent Strategic Plan initiative, Club leaders determined the following objectives for the near future:
- Distinctive Private Recreational Facilities & Grounds
- Enhanced Social Programs & Corresponding Facilities
- Treasure Coast Environmental & Cost Leadership
- Conservative, Prudent, Positive Financial Position

The Club enjoys great tenue with much of its staff, with the average tenure of senior managers being approximately 13 years. There is a strong “family-like” relationship amongst members and staff, with a good appreciation of and respect both ways, and with what has been described as simply “a fun place to be with friends.” The membership is made up of many long time Vero Beach families, as well as large groups of members from Kentucky, the Chicago and upper Midwest, Canada (Toronto area). The average age of new members is 58 years, and the overall average age of members is 70 years.

VERO BEACH COUNTRY CLUB BY THE NUMBERS:
