

Cross Training Service Position - UMass Club – Boston, MA

The UMass Club in Boston is seeking applicants that they will cross train in three - four major areas... service, banquet and events, accounting/inventory and front desk responsibilities. Position includes housing at UMass Mt Ida campus. The position entails being a server in the Grill Room, working banquets, working at the front desk, and assisting with some accounting functions.

The schedule would be primarily M - F with a few weekend days through out the summer (August 7 & 21) for private events. A work schedule will be a blend of day and evening shifts as business dictates. Hours will be 35 - 40 hours per week @ \$18 per hour. Includes housing and parking at One Beacon Street. Club seeks the idea hospitality person/student who loves working with the membership and the public. This is a great exposure to the City Club environment at one of Boston's best new city clubs with amazing views and a great leadership team. For those wondering about city club opportunities, the city club work environment offers some of the best benefits and work schedules in the club industry. Check out city clubs.
